

MERMAIDS OF ARABIA™

Mermaids of Arabia is taking the spread of COVID-19 extremely seriously. During this time, following the directive of the UAE Department of Health and Safety, we are taking further measures to ensure our mermaid community is kept safe

- Our number one priority remains the safety and wellbeing of our people and guests, providing you with a safe environment to enjoy our boutique.
- Upon arrival, each guest is issued with their own unique kit containing disposable makeup applicators for their appointment
- All our employees are wearing safety protective equipment including face masks, disposable gloves and face shields
- Costumes and monofins are thoroughly washed/sanitized after each use

MERMAIDS OF ARABIA™

- All make-up areas are cleaned frequently and sanitized after each use.
- We provide hand sanitization facilities to all guests and parents throughout the boutique
- We are open by appointment only to ensure a clean and sanitized environment to all our little mermaids
- We provide thorough and detailed training and education on COVID-19 to our staff, including how the virus spreads and how it can be prevented. Circulating up-to-date information on good hygiene practices and provide any necessary equipment to facilitate this, such as hand sanitizer stations
- Physical distance floor markings are available throughout the boutique to help guests comply with social distancing requirements.

MERMAIDS OF ARABIA™

- Signages are used to communicate key health and safety messages to remind customers to maintain hygiene standards and physical distancing
- We have a maximum capacity of 10 guests (and 1 parent per child policy) to ensure sufficient space to meet social distancing requirements
- Customers are encouraged to use contactless or cashless payment where possible
